the days are kept like letters,

SUBHEAD · CRIMSON ITALIC · 20 PT

Body text is set in Crimson Pro, a contemporary descendant of the old-style serif. It is humanist, calm, and tolerant of long passages — a typeface for ledgers and letters, not for billboards. Set at twelve on eighteen, with generous margins, it reads slowly.

BODY • CRIMSON PRO • 12 / 18 PT

Caption — Instrument Sans, 9.5 pt, set in muted brown.
